Reports & Announcement

Summary of past and upcoming Faculty Senate issues: Immediate Past Chair Tew.

Post-Tenure Review Document went before the Academic Council. Quite a bit of discussion about it: was the first time the Academic Council had seen the document, even though the Senate had submitted it in Sept. 2000. The Council asked that there be a conference committee formed between the Senate and the Council of Academic Administrators to work out the differences the two may have with the document.

No announcements from Search Committees.
